EM/2023/27

Dear IPBES members, observers and other interested stakeholders,

It is a rare pleasure to be able to share such good news twice in as many months, so I am very glad to announce that the Government of the Republic of Guinea has formally joined IPBES as its 141st member.

The designated IPBES national focal points for Guinea have been reflected on the IPBES website.

I know that you will join me in warmly welcoming Guinea to the growing IPBES family.

Yours sincerely,
